## August 2011

It has been a very hot summer and our lifeguards have been making a large number of rescues. If you have children, please make sure that you are watching your children.

The Karakung swimming and diving teams have had a very successful season. The swim team has been crowned as the 2011 Delco "A" League Champions with a 5-0 record. Congratulations to the entire team, coaching staff, and parents who made this all possible.

As we enter August, we welcome the new families who become August members. This is a nice chance to join the club as our wait list is long. This also gives us all a chance to review our website, review our rules, and meet new people. Some very important reminders:

- The manager on duty is in charge of pool operations
- Absolutely no glass is allowed on pool grounds
- Absolutely no alcohol is allowed on pool grounds
- No shoes are allowed on the deck area
- Guests must pay the daily fee and be accompanied by the member
- Check the website for updates [www.karakung.com](http://www.karakung.com)
- The Adult Social will be held on August 27, 2011. Details to follow on website and at the pool

## Snack Bar

Halligans at KSC would like to welcome all the new August members to Karakung. It has been a busy and hot summer and we look forward to continue providing the KSC membership with good food, prompt service and relief from the hot sun during the last month of the season. Starting in August, we will be featuring a "Specials Board" which will feature different foods that will help you

cool off and relax by the pool. As always, Halligans at KSC will continue to provide the same treats you have come to expect from Hoagies and Cheese Steaks to Cool Drinks and Ice Cream.

Sean Halligan  
KSC Snack Bar Vendor

## Pictures, Pictures, And More Pictures

Please check out the Karakung website ([www.Karakung.com](http://www.Karakung.com)) to see the many pictures we have posted. We will continue to take more pictures throughout the summer to post to the website. You can also find up to date information on what is happening at Karakung Swim Club.

## Pools & Grounds

The KSC pools and grounds committee would like to thank the managers and staff for doing such a great job all summer. We have been blessed with perfect “pool weather” most of the season. We would also like to welcome all the August members to the pool. Please remember to follow the rules for everyone’s safety and comfort.
