July 2011

A Message From The President

As we all begin to settle into the glory days of the summer of 2011, I would like to remind everyone of a few very important issues.

- Please make sure you are the primary person responsible for your children while at the pool
- Please make sure you understand that each member must bring his/her pool cards for entrance to the club
- Please know that we only charge \$6 for guests
- Please make sure you do not wear your shoes on the pool deck. It would be unfortunate if we had to close the pool because of glass in the pool brought in on the bottom of a shoe.
- Please check out our website for current events www.karakung.com

Thank you,
Tim Rafter

Snack Bar

Halligans at KSC would like to thank all members for their patronage during the busy month of June. We look forward to providing the KSC membership with good food, prompt service and relief from the hot sun during the busiest month of the summer, July. Whether you are attending a swim or dive meet or just down for a dip, stop in for the best pool food and snacks in Havertown.

Pictures, Pictures, And More Pictures

Please check out the Karakung website (www.Karakung.com) to see the many pictures we have posted. We will continue to take more pictures throughout the

summer to post to the website. You can also find up to date information on what is happening at Karakung Swim Club.

Pools & Grounds

After months of work preparing to open for the season the pools and grounds committee has continued to keep busy with maintaining the facility. Special thanks to Head Manager Frank Whitehead and his staff as well as Mr. D'Orazio for all their help. Pools and grounds would like to wish all members a fun and safe summer at the pool.

Swim & Dive Team

The swim team is off to a fabulous start with back to back wins against Springfield and Creekside under the direction of Coach Hansen. Our team is strong but most importantly they show lots of team spirit and good sportsmanship! Our next meet is a big one, against cross town rivals, Hilltop! Kids have come out in record numbers for the mini-swim team...they are the future of Karakung swimming!

Our dive team is doing great with a 1-1 record, with a win against Primos Secane and a loss to Nassau swim club. Our divers are flipping and twisting their way to a great season under Emily Pretz's watchful direction. Come out and watch our divers on Tuesday, July 12th at our last home dive meet!
